

**School Board Meets.**

The school board of directors met Monday night with the following members present, V. G. Lyford, John Lichty, Harry P. Custer, D. D. Reavis, W. S. Korner and George Jennings. After roll call the minutes of the previous meeting were read and approved. E. Bode concerning the treasury gave the following:

Registered warrants \$1449.00  
Cash on hand \$553.00

Motion was then made and carried that all bills be allowed. Supt. W. H. Pillsbury submitted the report as follows.

Whole number enrolled 679  
Average remaining 656  
Average daily attendance 630  
Per cent of membership attd. 96  
Per cent of " " punct. 99.7  
No. of visitors 31

The school board adjourned until Thursday of this week to determine the matter of the scholars who are suspected of sending unseemly letters to their teacher, Miss Bridges. The matter will be sifted to the bottom as the board has a very high regard for Miss Bridges and intend to sustain her in every way possible. We go to press too early to give a report of the school boards action in this regard. Another thing of interest with which the board will deal is the Douglas coal contract. The warrant in the coal case has been held up pending an explanation from Douglas. The way in which the discrepancy in the coal was discovered was by the board calling for the bill of lading in order that the weight for which Douglas had filed his bill could be compared with the bill of lading. When the bill was produced it was discovered that the shipment was not made from the mine from which Douglas had contracted to ship the coal but came from another place entirely. Investigation was made and it was discovered that the coal received was cheaper than the coal Douglas had agreed to furnish. Consequently the warrant is held up. Altogether the meetings of the school board are becoming quite interesting. Its members are among our best citizens and the public can depend on their safeguarding the interest of the tax payers against all questionable methods.

**Board of Supervisors.**

The board of supervisors has been in session most of the week. For matters have consumed a great deal of the time. The commercial club met with the board Wednesday and laid its claims before the members with reference to the question of good roads. It is believed that something has been accomplished by the club and that the county will participate in improving the bottom roads.

**Why Delay?**

There are still a number of tickets to be sold for the course of entertainments being managed by The Sphinx Club. Many of our people have arranged for tickets but a number seem undecided. Let us urge for the good of this class of entertainments in Falls City, that those who have not yet bought, do so at once. Some do not seem to catch the enthusiasm of the rest and it does seem that every man, woman and child in Falls City and in the surrounding country should attend the series.

Remember no profits go into

any private pockets and the course is run only for the good of the community. The Bureau from whom the course is bought, announces "Our Guarantee, Money Refunded if not Satisfied. Our Hobby, Popular Programs." It is true that so many good things are at the same time deep, heavy, dull or technical that some people dread rather than desire to buy tickets. This Bureau has therefore tried to put into each number relaxation, pleasure, enjoyment and fun and yet to maintain a high grade, dignified program or lecture which will please to the full those critics who care for technical excellence.

Let us insist that you will be surprised and pleased with the series as a whole and that you will feel more than repaid for having gone. Tickets may yet be secured from any member of the Sphinx Club. The date of the first entertainment is set for Oct. 29th, 1904.

Get your tickets before the seats are reserved, and remember it is much cheaper to buy a course ticket than to buy single tickets. Price of season reserved seat tickets are \$2 for big folks and \$1 for school children.

**Roosevelt Club.**

As the Hon. E. J. Burkett and the Hon. Norris Brown, will speak in Falls City the former on the 26th day of October and the latter on the 5th day of November, it is necessary for the Roosevelt Club to make arrangements

for these meetings. Therefore the club will hold a meeting at the Court House on Monday evening next, October 17th at 7:30 p. m., and every member of the club is invited to be present.—W. E. Dorrington, President.

**Political Meetings.**

The republican candidates have held large and enthusiastic meetings at Preston, Arago, Ohio, and Barada this week. They will speak at Nims City tomorrow night. All indications point to a splendid republican victory this fall, and these meetings will be productive of great work.
